

2025 Spencer Family YMCA *Open*

September 19, 2025 at Lindenwood Golf Club

The 2025 **Spencer Family YMCA Open** is an 18 Hole Four-Ball Golf Scramble that will raise money to support Spencer Family YMCA's Youth Programs and Initiatives. Our youth programs include Summer Day Camp, Before and After School Enrichment, Swim Lessons, and our extraordinary CAMP AIM which is a Summer Day Camp for those with special challenges.

Proceeds from the Spencer Family YMCA Open will help fund our **Financial Assistance Program for youth**

We believe that everyone should have the opportunity to benefit from our programs and services, regardless of their financial circumstances. That's why we offer financial assistance to individuals and families who may need support in accessing our facilities and participating in our programs.

This is a burden we are proud to bear. However, it is costly. Your support is greatly appreciated.

Please join us for a day of golf and fellowship on Friday September 19.
